Grading	<ul style="list-style-type: none"> <li>• 10: Excellent</li> <li>• 9: Very Good</li> <li>• 8: Good</li> <li>• 7: Average</li> <li>• 6: Sufficient</li> <li>• 0–5.9: Insufficient/Failed</li> </ul>
Credit System	Courses are broadly classified as Theory courses and Laboratory Courses. Theory courses consist of lecture hours, but may have attached practical hours in special cases. Laboratory courses consist of practical hours, but may have attached tutorial hours in special cases. Credit for a course is dependent on the number of hours of instruction per week in that course, and is obtained by using a multiplier of one (1) for lecture and tutorial hours, and a multiplier of half (1/2) for laboratory hours.
